About Page

About Page contains our history, mission, and vision.

Our History

Our pastry store has a rich history that dates back to the early 1900s, started as a small bakery on the streets of Manila, and quickly gained a reputation for his delicious and beautiful pastries.

Over the years, the bakery changed hands several times, but the tradition of high-quality and delicious pastries remained. In the early 2000s, the bakery underwent a transformation. We introduced new flavors and techniques while also preserving the bakery's traditional recipes and methods. The result was a bakery that combined the best of traditional and modern pastry-making.

We are committed to using only the finest ingredients and techniques to create pastries that are not only delicious, but also visually stunning. Our team of skilled bakers and pastry chefs are dedicated to crafting each pastry with care and attention to detail,
